*The Easter Story. The story of unending, sacrificial love. The story told for centuries of a King who gave His life to save His people for generations to come. The story that would eradicate darkness and radiate perfect Light into the lives of imperfect people.*

*The Easter story is not one with an end, but one with a ripple effect, creating Easter stories for every person who believes and proclaims the name of Jesus as Lord and Savior. Because of Him, our stories are forever changed! **MY EASTER STORY** is a praise and worship-style musical with personal accounts of the life, death, and resurrection of Jesus.*
